PASTORS SOULCARE COVENANT GROUP COVENANT

“Where two or three gather together as my followers, I am there among them” (Matthew 18:20). We are not seeking to “fix” our brothers and sisters or even to hold them accountable; rather, we are devoted to holding each other close.

The purpose of this covenant group is to experience deep, accelerated transformation at the heart level in the context of safe, Christ-centered relationships with fellow pastors.

I commit to the following:

1. **Attend the bi-annual retreats for three years.** I will attend every retreat unless providentially hindered. I understand I will have to say “no” to important things in order to meet this commitment, and I am willing to do so.
2. **Join in the monthly conference calls.** I will participate in the monthly conference calls to check in with my brothers and sisters and to share my heart.
3. **Complete transparency.** I recognize that in order to grow in my own spiritual and emotional health as a pastor, I must openly share my life with this group—the good, the bad, and the ugly.
4. **Finishing well.** I understand that the members of this group will make a significant investment in me. Since it is unfair to them for me to quit, I will be engaged in the group for the full three years.
5. **Total confidentiality.** I will treat what is shared in our retreats and conference calls as sacred by keeping our conversations to myself.
6. **Leading others.** At some point, I will strongly consider starting a new pastors covenant group to offer this to other pastors.
7. **Prayer for my brothers and sisters.** I will regularly pray for my brothers and sisters in this group—specifically for God to give them wisdom, endurance, and an increasing hunger for Him.
